

*Sheraton Imperial Hotel & Convention Center
Research Triangle Park, NC*

*August 26 - 29, 1996**

* Dates include an Optional Basic Training Day

Purpose and Target Audience

The Title III Air Toxics Implementation Workshop will be held August 26-29, 1996, at the Sheraton Imperial Hotel & Convention Center in Research Triangle Park, North Carolina, just minutes from the Raleigh-Durham Airport. This annual meeting, which is co-sponsored by the EPA and STAPPA/ALAPCO, will provide updates of Section 112 standards and requirements for controlling emissions of hazardous air pollutants. Because of promulgation of new MACT standards and implementation programs, this year's workshop is a critical forum for the EPA and State and local air pollution control personnel to share ideas and information on developing implementation strategies.

This year there will be an increased focus on the details of upcoming requirements and on lessons learned to date. Potential participants would be State/local and EPA Regional Office air agency staff and managers responsible for the implementation and enforcement of Section 112 and associated air toxics programs, permits, and compliance assistance.

Two optional basic training sessions will be offered on August 26, 1996; one session will address Section 112(r) of the Clean Air Act, and the other will address MACT. These sessions are designed for persons new to air toxics or persons seeking an introductory overview of air toxic regulations since the 1990 Clean Air Act Amendments. A third session, Aqueduct Action Items Progress, is designed as a followup meeting for the May 14-16, 1996 Aqueduct workshop participants. A tentative agenda for the workshop follows. For further information on the workshop, contact Susan Murchie/Karen Byrd, TRC Environmental Corporation, 6340 Quadrangle Drive, Suite 200, Chapel Hill, NC 27514, Tel:919-419-7500, FAX:919-419-7501.

TENTATIVE AGENDA

AUGUST 26, 1996 - OPTIONAL DAY: BASIC TRAINING SESSION

	<u>Session 1</u>	<u>Session 2</u>	<u>Session 3</u>
8:30 a.m.	112(r) Overview	The Toxics Problem - Why We Care and What We Need To Do	Aqueduct Action Items Progress Report (designed as followup meeting for May 14-16, 1996
9:15 a.m.	"	MACT - Overview of Statute	Aqueduct Workshop participants)
10:00 a.m.	Break		
10:15 a.m.	Plant Perspective	MACT Implementation	"

11:45 p.m.	Lunch (with speaker)		
1:00 p.m.	Plant Perspective (cont'd)	MACT Partnerships	"
2:00 p.m.	Permit Authority Perspective		
3:30 p.m.	Break		
3:45 p.m.	Implementing Agency Perspective	MACT/AFS; Training Opportunities	"
5:45 p.m.	End Session		

AUGUST 27, 1996 - DAY 1:

7:00 a.m. Registration Opens

General Session

8:30 a.m.	Welcome/Opening Remarks
9:00 a.m.	Air Toxics Task Force Report Out
9:30 a.m.	OAQPS Air Toxics Strategy
10:00 a.m.	Break
10:15 a.m.	Challenges for Air Toxics Programs for the Next Year - Setting Goals and Measuring Success
12:00 a.m.	Lunch (with speaker)

Integration of Air Toxics Program (short information presentations)

1:00 p.m.	Overview of Urban Area Source Program
1:30 p.m.	112(c)(6)
2:00 p.m.	Great Waters Report to Congress
2:30 p.m.	Residual Risk Report to Congress
3:00 p.m.	Break
3:15 p.m.	Air Toxics/O ₃ /VOC/PM (panel)

Alphabet Soup

4:45 p.m.	112(g)
5:15 p.m.	112(l)
5:45 p.m.	End Session

Special Meeting (time to be determined)

Goals and Objectives of 1997 Conference

AUGUST 28, 1996 - DAY 2:

Information Breakout Sessions (concurrent, interactive sessions)

	<u>Track 1</u> Risk/Exposure Assessment Implementation Strategy	<u>Track 2</u> MACT and Other	<u>Track 3</u>
8:30 a.m.	Residual Risk Strategy	Emission Standards Off-Site Wastes	Data Needs for Evaluating the
9:00 a.m.	Air Toxics Program "	Polymers and Resins I and IV "	"
9:15 a.m.	Total Risk Integrated		Air Toxics Implementation
10:00 a.m.	Model (TRIM) Break		Strategy
10:15 a.m.	Multipathway Exposure Analysis	Petroleum Refineries	Example MACT Implementation Plan
11:00 a.m.	Benefits Analysis	Municipal Waste Combustors	Survey of State Implementation of

Air Toxics Programs

11:45 p.m.	Lunch (with speaker)		
	Technical Tools		
1:00 p.m.	Source Characterization	What is Industrial Combustion Coordinated Rulemaking (ICCR)?	112(l)
1:30 p.m.	"	"	"
1:45 p.m.	National Toxics Emissions Inventory	"	"
2:00 p.m.	"	Transition Team Panel (ICCR)	112(g)
2:30 p.m.	Dispersion and Exposure Modeling Techniques	"	"
3:15 p.m.	Break		
3:30 p.m.	Ambient Monitoring	State & Local Agency Involvement (ICCR)	PTE
4:00 p.m.	Environmental Indicators and Trends	"	"
4:15 p.m.		Panel Discussion (Printing/Publishing, Shipbuilding, and Aerospace)	
4:30 p.m.	Biomonitoring	"	"
5:00 p.m.	End Session		
6:00 p.m.	Depart for Durham Bulls		

AUGUST 29, 1996 - DAY 3:**General Session**

8:00 a.m.	Experiences in Implementing Air Toxics Programs - Lessons Learned (Wood Furniture MACT, Dry Cleaners, Non-Ferrous Smelters)
10:00 a.m.	Break
10:15 a.m.	Enforcement, Compliance Assistance, and Communication Tools
11:15 a.m.	Wrap up with Air Toxics Task Force
12:15 p.m.	Lunch (with speaker)
1:30-3:30 p.m.	Regional Air Toxics Coordinators Meeting
